ACTION REQUIRED - REFERENCES

**Information.****MEM-3452, 3 January 1961**

1. We are unable to offer an explanation for the arrival of the letter at the ANON/11 address that was forwarded as Attachment I to the Reference. To our knowledge, the ANON/11 address was used exclusively for the receipt of operational mail from ANON/7. The letter that was forwarded for mailing to FCB by MEM-3452, 2 July 1960, was for ANON/7 even though it was not so stated in the Dispatch.

2. Since it has been quite definitely established that ANON/7 is controlled by the KGB and the last communication was received from him in the late spring of 1960, it is not anticipated that future communications will be arriving from him. Despite this, it is suggested that you have ANON/1 advise ANON/11 that, while the receipt of mail is not anticipated, should she receive any, she should handle them as she did previously, i.e., forward them to ANON/1. **\*SUBJ L**

3. The letter that was forwarded as Attachment I to the Reference was tested for the recovery of I/V with negative results. A formal handwriting analysis of this letter was not initiated since it did not appear to merit the expenditure of time and money required in such an analysis. However, an examination of the handwriting on each of the communications indicates that each was probably written by a different individual.
